MCT oil

Derived from fractionated coconut oil, MCTs are unique in the way they're processed in the body, providing quick energy as they go straight from the gut to the liver. Easily digestible, they're ideal for compromised GI systems.

Wholesome Natural Ingredients

Meticulously crafted with a blend of protein, fats, and carbohydrates, Reason is tailored for easy digestion and rapid recovery in demanding situations, delivering effective nutrition.

Milk protein concentrate- MPC

High quality milk protein coming from cows in the Netherlands who do not use antibiotics. Complete source of dairy protein isolated from fresh skim milk, encompassing both casein and whey. This concentrate boasts high protein content while maintaining low levels of lactose.
